Enjoy the benefits of lake life without the cost of waterfront! Our special release of interior “water access” properties feature peace, quiet and space to spread out and relax with our unrestricted use of the lake at common access points. Lake access points allow you to launch a canoe, kayak or stand-up paddleboard, go for a swim or let the dog cool off. Some lakes are great for pontoon boats as well. All within an easy walk from your lot! Featuring a pretty mix of hardwood and softwood, we have different terrains and lots sizes to choose from. All come with power at the lot line, full surveys and ready for septic – some lots even allow for a permanent summer RV lifestyle. Ownership, the lake and money left over...how GREAT is that?
