These pristine and unique lakefront lots feature large mature trees with exceptional views. Watch every red, orange and pink sunset from your private dock. Swim to the island or plan a family campfire on the shore. With gently sloping terrain and flat building sites, you can plan the perfect location for your four-season getaway. Imagine spending the weekends watching the seasons change. Skating on the lake this winter, spring brings all the fresh green leaves and songbirds, summer is fun on the lake and in the water, watch as the trees burst into fall colour. Repeat. Upper Salters Lake Retreats can be your personal waterfront hideaway.

A select group of well treed lake access lots are also available.
